Child Maltreatment 4th Edition Bundle SPECIAL . . . . .	\$370.00 Print
ISBN 978-1-936590-33-9 Bundle SPECIAL . . . . .	\$350.00 eBook

The fourth edition of the landmark reference **Child Maltreatment** — now titled **Chadwick's Child Maltreatment** — offers a comprehensive view of the signs and aftermath of physical and sexual abuse, neglect, and psychological maltreatment. Formerly presented as a 2-volume clinical guide and photographic atlas, this cutting-edge series has been divided into 3 definitive volumes: **Physical Abuse and Neglect**, **Sexual Abuse and Psychological Maltreatment**, and **Cultures at Risk and Role of Professionals**. Each book is supplemented by an atlas of clinically valuable case studies and images to assist in the identification, interpretation, and investigation of child maltreatment.

**Chadwick's Child Maltreatment** has been edited by some of the most prominent experts in the field, including child abuse specialist and pioneer, Dr. David Chadwick. This newly revised series is specifically designed for professionals who are in positions to identify and respond to the plight of child maltreatment and its many adverse effects on children and families.

Dr. Chadwick and his collaborators have expended great effort to present relevant, updated clinical text in the fourth edition, which includes 1854 pages and 1993 images.

Key benefits and features of **Chadwick's Child Maltreatment** include:

- **New!** Over 660 new photographs to help practicing professionals identify various incidents of child maltreatment
- Combined clinical guide and photographic atlas in each book for easier access to information
- Multidisciplinary focus to support collaboration among health care, law enforcement, social work, child protection, and court-related professionals
- New case studies and photographic content
